## Mighty Machine Mania - New Location

Come on out to one of our trademark family events on April 29. Mighty Machine Mania features large trucks and heavy equipment that you see around Perinton on a day to day basis. The vehicles will be set up in Fellows Road Park and children will have the opportunity to climb in the trucks. Featured vehicles this year include public works equipment, emergency services, garbage trucks, a helicopter, and a school bus! This event is sponsored by [Crayon Campus](#) and [DJM Equipment](#). Mighty Machine Mania will take place at Fellows Road Park on April 29th from 10am-12pm. Overflow parking will be on Whippletree Road which features a walking path to the park. The Smoothies Plus Food Truck will be on site selling coffee and smoothies. We look forward to see you at this fun, free family event! View our [Facebook Event Page](#) for more information.

Mighty Machine Mania 2016

## Egg Hunt and Mr. E Bunny

Hop into Spring and join us for [The Egg Hunt](#) and [Mr. E Bunny](#) events on Saturday, April 8th! We will host two Egg Hunts this year: one hunt for bunnies (ages 1-4) and one for rabbits (ages 5-8) held on the soccer fields at Center Park. Both hunts start promptly at 9:30am. Following the Egg Hunt, families can hippity hop over to the Perinton Community Center to see Mr. E Bunny, play on the preschool gym equipment, and make a special craft from 10:00 - 11:30am. Mr. E Bunny activities are geared towards ages 2-6. Registration and more information is [available online](#) for both of these family events under the Special Events tab.

## Summer Camp Registration

Registration for the Summer Playground Program is now underway. We are offering three sites this year: Fellows Road Park, Potter Park, and Brooks Hill School. Fellows Road and Potter will have an early drop off/late pick up option of 8:00am - 5:00pm (regular time is 9:00am - 4:00pm). The Playground Program will run June 26 - August 4, with Fellows Road running an extra session August 7 - 18. Registration is available in one or two week sessions. There is a different theme each week and the program will feature a wide variety of field trips, guests, arts/crafts, sports, and more. We look forward to having your children at the program! More information can be found on page 26 of the [Spring Program Brochure](#) and you can register online through Webtrac.
