When traffic volumes and highway configurations are favorable, the Town of Perinton does allow for temporary closure of roads for neighborhood gatherings. Items to keep in mind when planning your event:

1. To ensure any inconvenience is kept to a minimum, all neighborhood residents impacted by the requested road closing must be included in the event.
2. All debris, garbage, and equipment must be removed from public areas prior to the end of the party.
3. The Town will provide barricades to block off the requested areas.
4. Although the road will be closed during the designated time period, it cannot be completely blocked with grills, picnic tables, children's toys, etc. Room must be left for emergency vehicle access if needed.

A letter of determination will be returned to you within 5 business days.
