Chairman Ann Parks began the meeting at 7:30 PM.

Get-together for Historic Home Owners

The Historic Architecture Commission is planning a get-together, which has tentatively been scheduled for Saturday, May 16, 2015. They would like to invite all current owners of individual designated properties, and invite owners of other properties that might be considered for designation in the future. Some of the invitees would include Supervisor Mike Barker and members of the Fairport Historic Preservation Commission. They would like to identify some realtors who might have a favorable point of view regarding historic designation.

If folks are willing, they would like to have a few topics that homeowners of historic homes could speak about, such as positive experience regarding the Certificate of Appropriateness process and positive experiences as a property owner.

The first matter of business would be to create a list of designated properties. We would also like to confirm that the Town of Perinton historic plaques were given to the recently designated property owners. Historian Bill Poray will check on these items and let us know how many are in the inventory. Ann and Bill will schedule a time to discuss the get-together in greater detail.

HAC Brochure - Ann Parks reviewed the changes that she had proposed for the brochure. Additional changes were suggested. Ann will make those changes and Bill and Ann will make copies of the new brochure.

Barn Survey

There was nothing new to report on the Barn Survey.

Prospects for Designation

Ann Parks reported that she spoke with the owners of 2 Pond View Drive and 86 Lincoln Mills Road. They said that they might be interested in attending the reception to talk about designation.

There being no further business, Chairman A. Parks adjourned the meeting at 8:30 PM.

Respectfully submitted,

Barbara Clay (Historian Bill Poray took notes for the meeting in Barb's absence.)
