

TOWN OF PERINTON

1350 TURK HILL ROAD, FAIRPORT, NEW YORK 14450-8796
(585) 223-0770, Fax: (585) 223-3629, www.perinton.org

BUILDING PERMIT REQUIREMENTS FOR ELECTRIC SERVICE UPGRADE

1. Please add property address to all paperwork submitted.
2. Provide an estimated cost of construction.
3. Complete the Fairport Municipal Commission information sheet, see page two of this document. This is not required for RG&E customers.
4. An inspection by one of three approved agencies is required on all electrical permits.

It is the responsibility of the person obtaining the permit to schedule this inspection.

5. When the building department receives the electrical inspection certificate, a Certificate of Compliance can be issued.

It is the responsibility of the property owner to verify all inspections have been completed.

6. Permit fee of \$25.00 will be charged.

FAIRPORT MUNICIPAL COMMISSION

VILLAGE OF FAIRPORT

OPERATING THE
CONSUMER OWNED

MUNICIPAL LIGHT AND POWER SYSTEMS

31 SOUTH MAIN STREET P.O. BOX 500 FAIRPORT, NY 14450
(585) 223-0440

To Whom It May Concern:

This is to certify that I request permission from the Fairport Municipal Commission to upgrade my present electric service from _____ amps to _____ amps.

I also hereby certify that this upgrading of my electric service is **NOT** for the purpose of converting my present heating system to electric heat or adding any additional electric heat and that I will notify the Fairport Municipal Commission, if at a later date I do convert or add any electric heat to the property indicated below.
