

**Perinton Recreation and Parks
Lions Den Teen Center**

Community Service Committee

The Teen Center and the Perinton Community Center are always looking for teens interested in community service hours. If you would like to volunteer for fun events like the Foodlink Volunteer Opportunity, working in the Perinton Community Garden and/or others, please contact Julie Eble at lionsdentc@gmail.com to have your name and email address added to the community service volunteer list. You will be notified of volunteer opportunities, however there is no obligation if you are not available to assist that day.

We could really use your help!
