Manuel Lopes, 67 Blackwatch Trail, stated that his bicycle was stolen from his vehicle, that he recovered the bike and that this is a felony charge. He is concerned that the individual who stole the bike is a neighbor, drug addict and will take a plea deal. He asked the Town Board for advice in this matter and Town Attorney Place recommended that Mr. Lopes speak with the District Attorney's office once it has been assigned.

Mary Wagner, 742 Furman Road, expressed concern over the new Town hunting policy and hunting on the Town land that abuts her property. She stated that there is nothing in her lease with the Town stating that hunting would be allowed and that she received no notification that hunting would begin on that land. Supervisor Barker stated that Parks Director Estrich spoke with Ms. Wagner's brother in law on November 12 and that a meeting would be scheduled with the family. Town Attorney Place has also been involved in this matter. Ms. Wagner also stated that there has also been an instance with a four wheeler on both their property and the Town property since the new hunting policy has started. Supervisor Barker stated that he has asked the sheriff's office to keep a special watch on that property, as there has been illegal hunting on that land for years. The hope is that the new hunting policy will control the hunting through a very limited issuance of permits.

Supervisor Barker reminded the audience that the next Town Board meeting is next week, November 19, 2014.

There being no further business before the Board and no further questions from the audience, the Board adjourned at 8:30 pm.

Respectfully submitted,

Jennifer A. West
