## Partner Spotlight

Perinton Food Shelf

The Perinton Food Shelf is a non-profit organization with the mission of providing emergency food relief to residents of Perinton and Fairport. In addition to being a drop-off location for food items, the Town of Perinton offices hold food drives to benefit the Perinton Food Shelf throughout the year. Most recently, we held a Turkey Jam on Thanksgiving morning in which we provided free use of fitness equipment and aerobics classes in exchange for canned goods to be donated to the Perinton Food Shelf. Additionally, the Summer Playground program holds a food drive for the organization. The food shelf is in constant need of donations and they keep a list of most needed items on their website:
