Themed Summer Camps

This summer we will be offering more than fifteen different themed summer camps. Each camp will be for select ages, anywhere from ages 3-14. A majority of these themed camps will run full weeks throughout the summer. On June 25th we start our Pre-K Hooray Play & Splash Summer Camp where children ages 3-6 can enjoy games, play outdoors and splash in the leisure pool. Some of our highly anticipated camps for the summer are our new Harry Potter Day Camp and Be Wild Outdoor Adventure Camp. We are excited to offer these new opportunities for children to stay active and enjoy their summer.

Farewell Stephanie Kayser

We thank Stephanie Kayser for her twenty years of service with the Perinton Recreation and Parks Department as a Senior Clerk. She has provided oversight to our clerical staff and been involved in many facets of our customer service. Stephanie is a proud Perinton resident. She will miss her role at the community center but looks forward to being able to spend more time with her family and pursuing her hobbies of hiking, gardening and interior design. We will all miss Stephanie's smiling face and positive attitude and wish her the best in retirement!
