

PERINTON

Recreation & Parks

March 2018 Newsletter

Farewell Diane Riesenberger

Our Recreation Director, Diane Riesenberger, will be retiring at the end of the month. She has been an employee of the Town of Perinton for 30+ years starting as a preschool instructor and working her way up to the Director position. Diane is a fierce advocate for our community members and has worked tirelessly to provide the best programs and facilities for our users. She is passionate about her role in serving our residents and strives to keep Perinton on the forefront of trends in the field. Her mindset is truly "All About Community". Diane has been recognized for her efforts by winning multiple awards through the Genesee Valley and New York State Recreation and Park Societies. Her energy and enthusiasm will be missed by the patrons and staff. Diane is looking forward to being able to spend more time with her family and five grandchildren. She will no doubt still be a presence in the Community Center but this time as a visitor and user of our programs and services. Thank you Diane and best of luck in your retirement!

Diane and Staff

Egg Hunts

It's time for our Annual Egg Hunts! At 10:00am on Saturday, March 24th, our Bunnies, Rabbits, and Hares will begin their hunt for prize-filled eggs! For the Bunnies (0-2 years), their hunt will be located in the Community Center and [registration](#) is required (code 128830). The Rabbits (2-4 years) will be hunting for eggs at the Center Park West soccer fields. The Hares (5-9 years) will search for their eggs at Center Park West Amphitheater. All age groups will be able to trade in their eggs after the hunt to get different prizes and treats. The event will run in any weather condition so dress accordingly. [Registration](#) for Rabbits and Hares is helpful but not required.

The Park Bark

Stay High and Dry! A great way to get outside and enjoy the fresh spring air is hiking the Crescent Trails. Although we are in mud season, several trails will take you upwards to stay a little drier. Try these fun and exciting trails:

Horizon Hill - parking lot on south-side of Garnsey Road, east of Route 96

Indian Hill - parking lot on south-side of Route 31, between Turk Hill Road and Thayer Road

McCoords Woods - on street parking on McCoord Woods Drive (off South Ridge Trail)

Thayer Hill - small pull-off on Thayer Road (just south of Route 31)

Visit our [website](#) for Crescent Trail maps, pick one up for \$1 at the Community Center or visit the [Crescent Trail website](#).
