Recreation & Parks

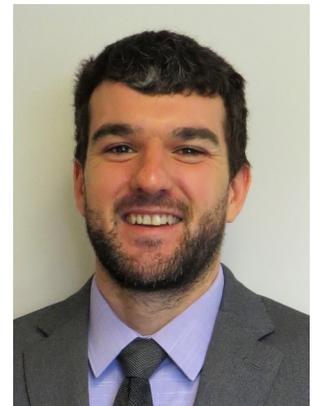

May 2018 Newsletter

Mighty Machine Mania

Bring your family and friends to get up close to huge trucks and all the heavy equipment you see when driving around the Perinton community. Come learn more about your favorite machines. You may even be able to sit on the equipment! No pre-registration is required for this event and it is free to families. The event will take place on Saturday, May 5th from 10am - 12pm at Fellows Road Park. Please note that the parking lot will fill up fast. Be prepared to take a small walk from the surrounding neighborhoods. Hope to see you there!

Meet Your Recreation Director

Jeff Nutting is thrilled to be taking on the role of Recreation Director. He has been working for the department in a variety of capacities since 2007. Jeff is a graduate of The College at Brockport with a degree in Recreation and Leisure Management. He is excited to build on the excellent reputation, quality of programs and facilities, and innovative ideas from the great line of directors that preceded him. He grew up in Perinton and lives here with his family. Jeff is an avid user of our parks and trails and attends many of our programs and events with his family.

Mother Daughter Tea

What better way to celebrate Mother's Day than to have a tea party? Mothers, bring your daughters who are 3 years of age or older to celebrate Mother's Day at Perinton Community Center. Come dressed in your fancy clothes and enjoy tea, punch and some sweet treats on May 12th from 1-2:30pm. There will be a special spot set up where mothers and daughters can get a picture taken. There will also be a memorable craft to create. Please enroll both the adult(s) and child(ren) who will be attending. It is \$9 per person. We look forward to spending a special time with you and your loved one! Register using Code: 265209-A [here](#).

Staff Receive Awards

At the New York State Recreation Society Conference on April 16, the Town of Perinton took home two individual awards. Mike Barker, Town Supervisor, received the "Elected Official of the Year" award for his passion and dedication to the Recreation and Parks Department. Diana Weber, Recreation Supervisor, was awarded the "Young Professional" award for her excellent work for the Town of Perinton. We are lucky to have such an advocate of parks and recreation in Mike Barker leading this Town. We are very proud of Diana for this accomplishment.
