Center Stage Concert Series

Summer is officially upon us which means that the Center Stage Concert Series will be underway shortly! We look forward to a terrific lineup of music on Sunday evenings. The series will kick off with Ruby Shooz on July 8 and finish with our Annual "Salute to America" Concert on September 9. Each concert will have food and beverage vendors featuring Casa Larga, Lion's Club hots and hamburgers, LuGia's Ice Cream, and a food truck. Grab your family, friends, and neighbors and enjoy these concerts with the community. Concerts take place on Sunday evenings at 6:00pm at the amphitheater at Center Park. Parking is available at the Perinton Community Center and Center Park West. All concerts and parking are free.

Meet Your Recreation Supervisor

We welcome Michael Clark to the Perinton Recreation and Parks Department family. Mike is an alum of The College at Brockport with a degree in Recreation and Leisure. He has previous work experience in the recreation field through Carnival Cruise Lines and Fripp Island Resort. Mike is currently providing oversight of our teen programming, after school programs, and fitness offerings. He is also assisting in many of our special events. Outside of work, Mike is an avid hiker and enjoys spending his time outside. His office is downstairs by the fitness area; we invite you to say hello and welcome him to our team!

Perinton Youth Triathlon

Mark your calendars for Saturday, August 4th! The 6th Perinton Youth Triathlon is right around the corner and we anticipate another high turnout. This special event is for children ages 7-14 with two different racing distances. "The Sprint", is a 50 yard swim with a 2 mile bike ride and a .5 mile run. "The Doubler", is a 100 yard swim with a 4 mile bike ride and a 1 mile run. Pick your race based on skill and comfort level. Registration cost \$30 and includes a t-shirt and a light lunch for the participants. To register go to runsignup.com and enter Perinton Youth Triathlon in the search bar. Interested in volunteering? Contact Diana Weber - dweber@perinton.org. We hope to see you there!

The Park Bark

Virtually Hike Trail Town USA:

Perinton's Crescent Trail to be Featured on Google Street View™ Mapping

When Jenny LePore of ClockTower Communications heard that the Google Street View mapping service was accepting proposals for new locations, she jumped on the opportunity to pitch Perinton, N.Y. As a resident and business owner, LePore saw it is an opportunity to highlight the community's 38-mile Crescent Trail system, which is known for its scenic view, diverse wildlife, and expansive footprint. It wasn't long before she received an acceptance letter noting that Google's Samsung Gear 360 was en route to "Trail Town USA", a title granted to the town in 1996 by the American Hiking Association. Together, the Town of Perinton Recreation and Parks Department and the Crescent Trail Hiking Association (CTHA), a volunteer-based 501(c)(3) nonprofit organization, are hiking the 38 miles to capture panoramic photographs of the trail.
