Big crowd enjoys Movie Night

Severe rains may have moved the annual Outdoor Movie Night at Center Park back a day, but it certainly didn't dampen the spirits of those who attended the event. More than

700 residents braved the cold to watch "Ferdinand" on the big screen Saturday, September 22. Before the movie, children could play in the Gaga Pit, create chalk art on the sidewalk or get their faces painted. The event was organized by the PTAs of Brooks Hill, Dudley School, Jefferson Avenue and Northside Schools along with the Town of Perinton. The principals from each school lead their students in a cheer before the movie started.

Frustrated you don't have enough room after Thanksgiving dinner to enjoy pie? Fear not and sign up for the Aquatics Center Pie Night at the Perinton Community Center Nov. 21 at 6-8 p.m. Enjoy swimming in the aquatics center with your family and then enjoy a smorgasbord of pies! Family coming from out of town? Sign them up too!
