The Park Bark

Owl saved in park

Town of Perinton Animal Control Officer Perry Stolt was able to save a Great Horned Owl that was stuck in a soccer net at Center Park West on August 29. Stolt spent 20 minutes trying to free the bird before he realized he had to cut the net. "I got him out without hurting him and when I tossed him in the air to fly away it was like something in a movie," Stolt said.

New Recreation Supervisor Settles In

Please help us welcome new Recreation Supervisor Janelle Reed! Janelle has been working as the Town of Perinton's Party Coordinator since 2017 and was Recreation Supervisor in the town from 2002-2008. In 2008, she decided to stay home and raise a family. Janelle lives in Perinton with her husband Brian, her 11-year-old twin daughters Kendall and Sidney and son Tyler, 8. The College at Brockport graduate is still the town's party coordinator and is also in charge of soccer leagues and other programs. When you get a chance, please say hello!

Halloween Parade set for Oct. 26

Calling all "boos" and "ghouls"! All families are invited to be part of our all-ages Halloween costume parade Friday,

Oct. 26, starting at Johanna Perrin Middle School at 6 p.m. A costume contest will take place immediately following the parade at Potter Park. Prize winners will be picked in age order starting with the youngest "Tiny Tots" category and continuing with Preschool, Grades K-3, Grades 4-6, Teens, Adults and Best Group. Complimentary doughnuts and cider will be provided by the Fairport Fire Department. This event is co-sponsored by the Fairport Rotary Club. In case of inclement weather, the event will be canceled. No pre-registration is required.

Friday Night Fun

Here is a fantastic opportunity for fun Friday evening activities for children, and maybe even a chance for you to sneak in a "date night". Have your children join us for "Let's Play" on October 19. Activities included Gaga, nok hockey, Bingo and more. The program will continue in November and December. View page 18 of the fall brochure for more information.
