

This map is published by the Crescent Trail Hiking Association, a 501(c)(3) non-profit organization of volunteers who plan, develop, and maintain Crescent Trail footpaths in Perinton. Monetary donations to the Association, and payment of annual dues by members, are charitable contributions and are the principal source of funds for all Association programs and activities, including trail maintenance, map printing, and more. If not already a dues-paying member, you are invited to join the Association at whatever dollar-level of annual membership you choose. As a member you will receive occasional notices and future updates of trail maps. Thank you!

- **Other Trails and Walkways**
- Public Parks or Town Property**
- Property Lines**
- P **Off-Road Parking**
- **Ponds & Streams**

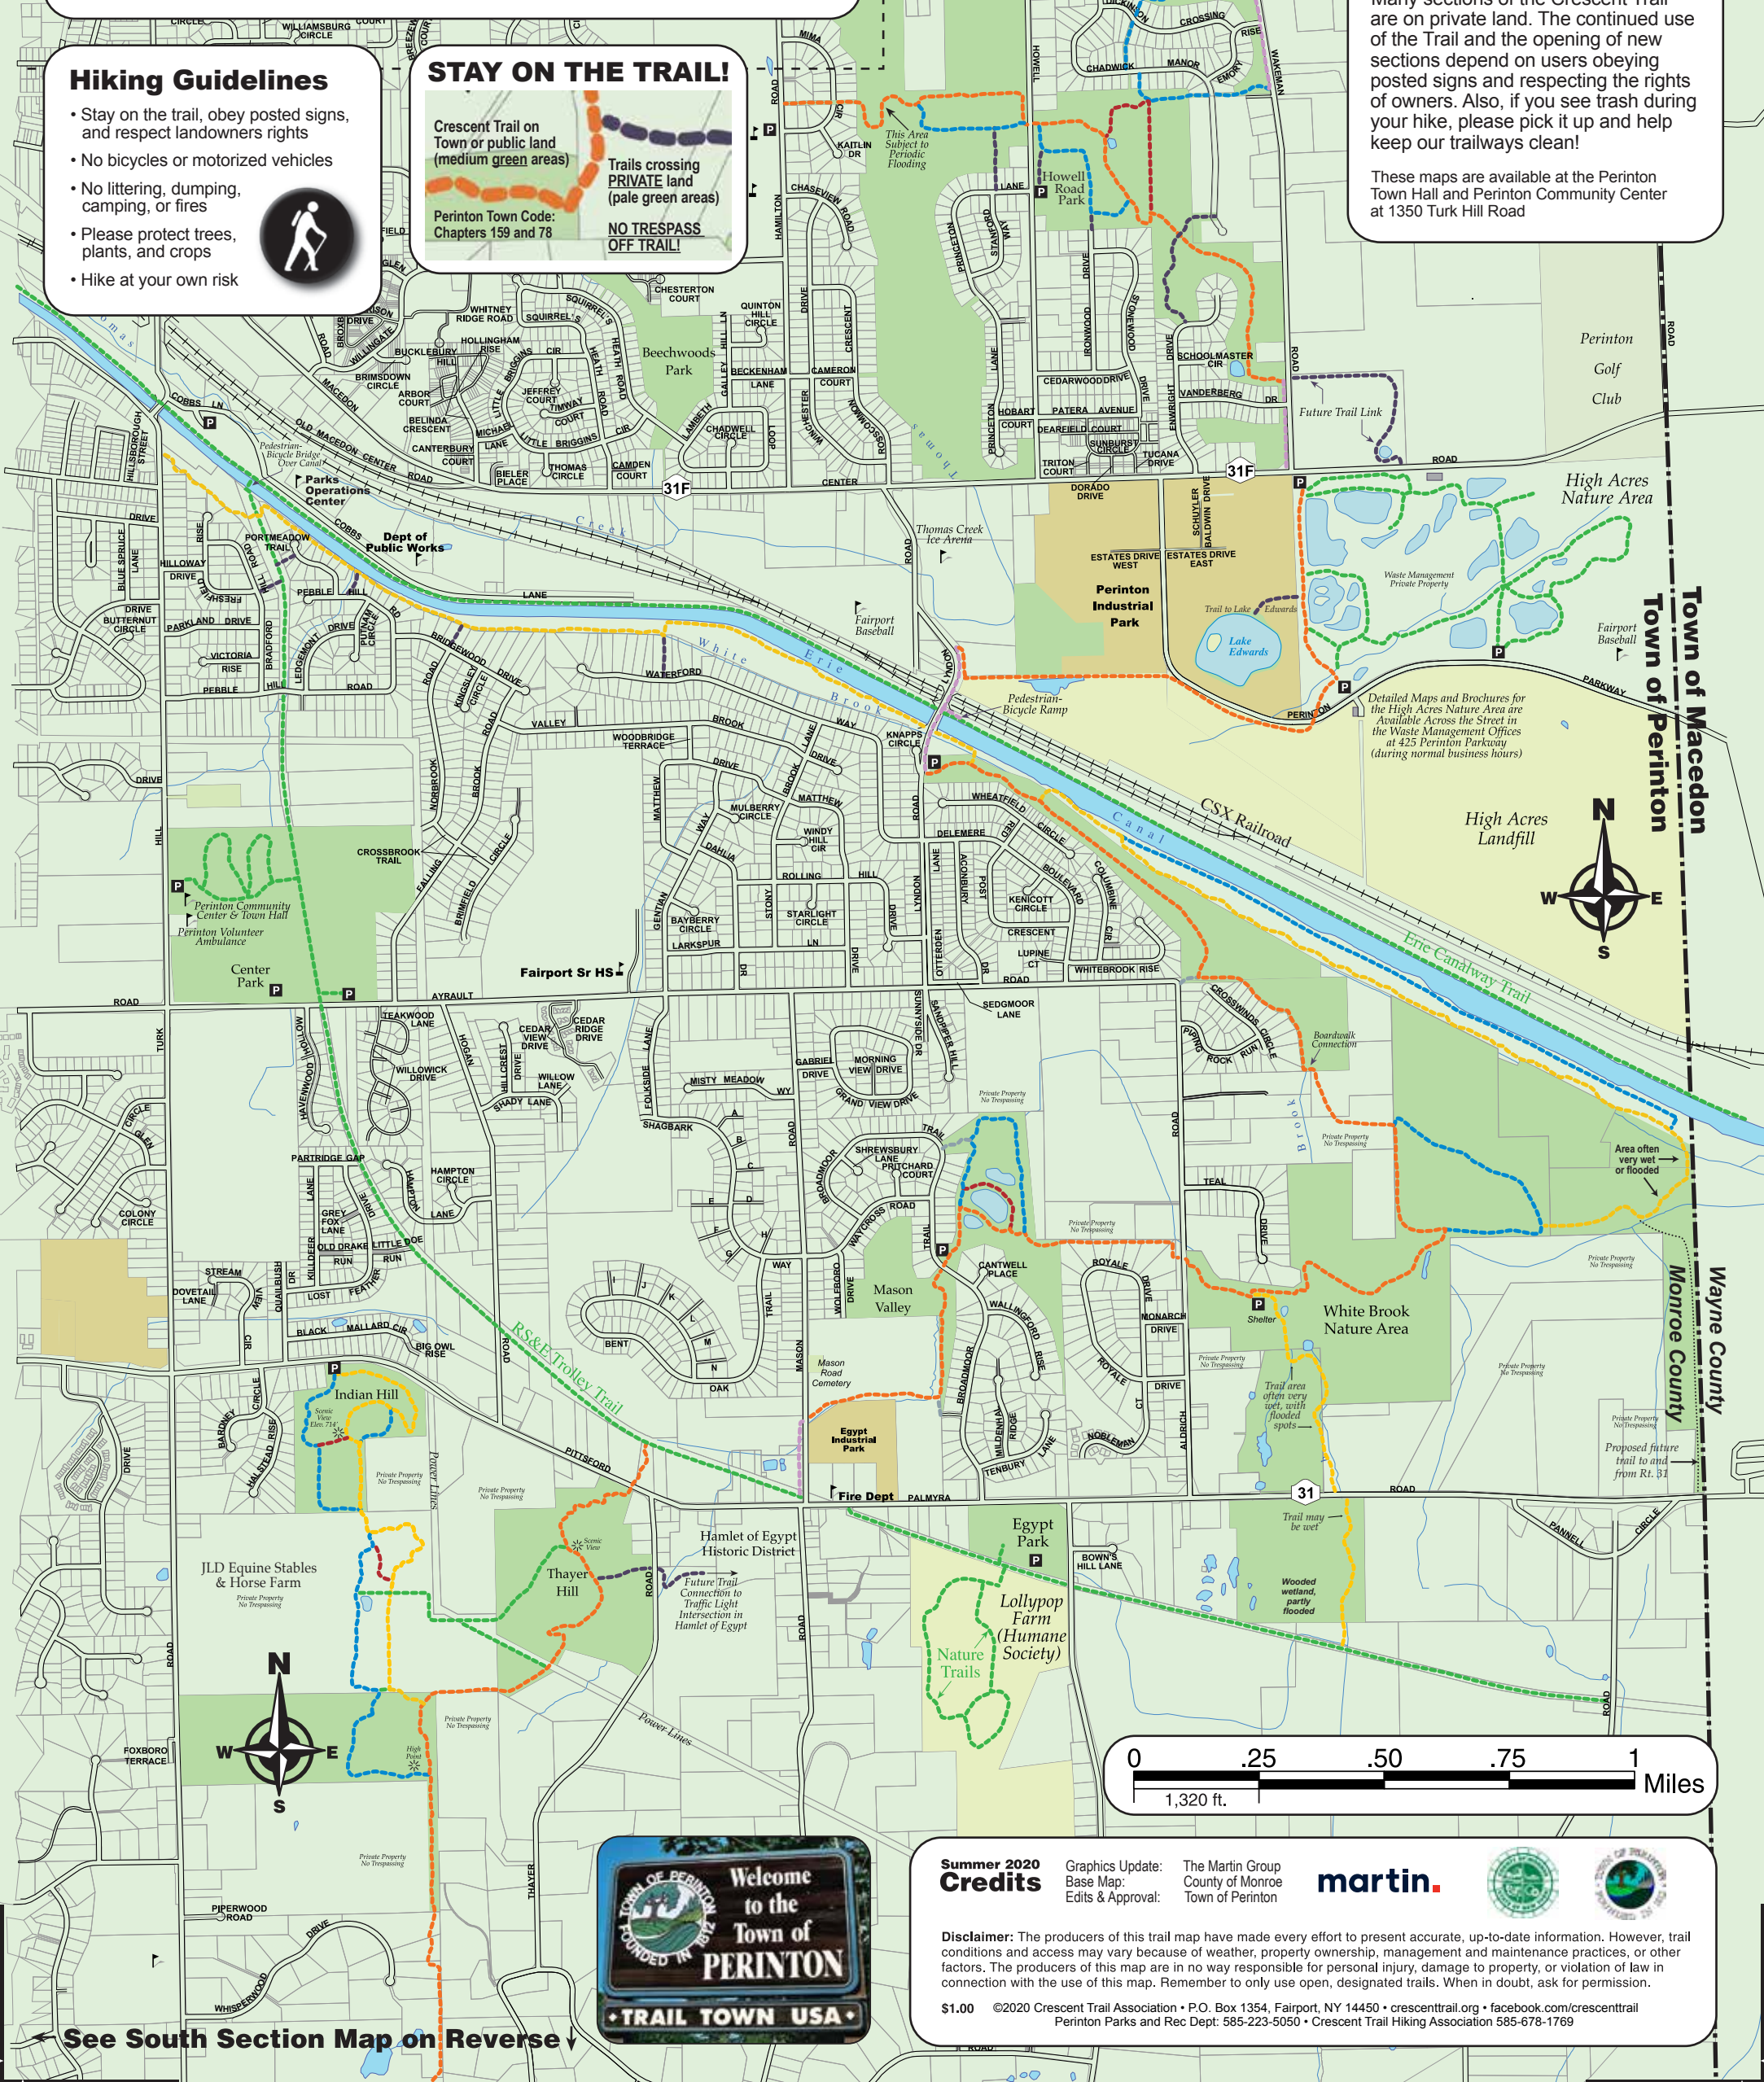

Trail Description

Perinton, New York has been named one of the top 10 "Trail Towns" in the United States by the American Hiking Society and the National Parks Service. The Crescent Trail is the premier footpath within the Town. Over thirty-five miles of trail wind through wooded hills and scenic wetlands. The Trail connects to the historic Erie Canalway Trail and to the Rochester Syracuse & Eastern Trolley Trail.

Most sections of the Crescent Trail are single lane dirt hiking paths. The Trail provides public access to wooded hills, scenic overlooks, wetlands, open spaces, and parklands. The blazed main trail, branch trails, connections, loops, and access points allow self-guided hikes of up to two hours. Longer, half-day or all day outings can be made as point to point hikes or by using connections with the Erie Canal Trail or RS&E Trolley Trail.

Many sections of the Crescent Trail are on private land. The continued use of the Trail and the opening of new sections depend on users obeying posted signs and respecting the rights of owners. Also, if you see trash during your hike, please pick it up and help keep our trailways clean!

These maps are available at the Perinton Town Hall and Perinton Community Center at 1350 Turk Hill Road
