(585) 223-0770, Fax: (585) 223-3629, www.perinton.org

Contractor Insurance Requirements for Building Permits

New York State law requires all municipalities to collect proof of insurance prior to issuing a building permit where a contractor is used. The contractor of record must have current insurance certificates on file with the Building & Codes Department before a building permit can be issued. Below are the required forms:

- ▶ **GENERAL LIABILITY** insurance coverage naming the Town of Perinton as 'Certificate Holder' as follows:
Town of Perinton
1350 Turk Hill Rd
Fairport, NY 14450

- ▶ **WORKERS' COMPENSATION** insurance coverage naming the Town of Perinton as 'Certificate Holder' can be one of the following:
 - *C105.2* (coverage thru private carrier)
 - *GSI-105.2* (coverage thru NYS)
 - *U-26.3* (coverage thru NYS Insurance Fund)
 - *CE-200*: Certificate of Attestation of Exemption from NYS Worker's Compensation and/or NYS Disability insurance coverage. The Town of Perinton must have the signed original CE-200 form. The form can be generated through the State's website at: www.BusinessExpress.ny.gov

- ▶ **DISABILITY BENEFITS** coverage, naming the Town of Perinton as 'Certificate Holder' can be one of the following:
 - *DB 120.1*
 - *CE-200*: Certificate of Attestation of Exemption from NYS Worker's Compensation and/or NYS Disability insurance coverage. The Town of Perinton must have the signed original CE-200 form. The form can be generated through the State's website at: www.BusinessExpress.ny.gov

If you have any questions regarding the above information please contact the
NYS Workers Compensation Board at (877) 632-4996
