

TOWN OF PERINTON

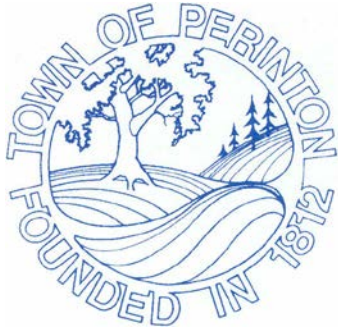

1350 TURK HILL ROAD, FAIRPORT, NEW YORK 14450-8796
(585) 223-0770, Fax: (585) 223-3629, www.perinton.org

BUILDING PERMIT REQUIREMENTS FOR ELECTRIC SERVICE UPGRADE

1. Fill out the “Building Permit Application Information” form.
2. The building permit card must be available to the inspector for all inspections.
3. Contact FMC (Fairport Electric) at 585-223-9500 or RG&E 743-2110 to schedule a disconnect/reconnect of the electric service followed by contacting the Building and Codes Department at 585-223-0770 to schedule an electric inspection.
4. When the the Building and Codes Department passes the electrical inspection a Certificate of Compliance will be issued by the inspector as indicated on the permit card.

It is the responsibility of the property owner to verify all inspections have been completed.

5. See the current Town of Perinton fee schedule at www.perinton.org or visit the the Building and Codes Department in the Town Hall.
