

## Introduction

**Sales that may be used for valuation for the 2024 Assessment Roll. Sales from 07/01/2021 to 03/15/2024. Additional sales may be utilized, if needed, due to comparability in style, size, location, etc.**

**Per NYS Real Property Tax Law, the valuation date for the 2024 Final Assessment Roll is July 1, 2023**

**Sales are listed alphabetically by street beginning with the Village of Fairport followed by the Town of Perinton (TOV).**

Valid arm's length real estate sales are sales that have been exposed to the open market and have not been affected by undue factors. Estate sales, foreclosures, short or bank sales, relocation sales, family sales or transfers with any other factors affecting the sale price have not been included in this list per NYS Office of Real Property Tax Services.

Analysis of valid arm's length sales is used in the review process to determine the current assessed value (market value) of all residential properties.
