

In accordance with the PESH Act and the OSHA Act, employees in the workplace have a right to know about chemicals that they could be potentially exposed to in the workplace. To comply with the law and in the interests of promoting a safe and healthy workplace, the Town of Perinton has opted to provide a digital Safety Data Sheet database. This database is routinely updated as materials are brought into and removed from the workplace.

### [Perinton Safety Data Sheet Database](#)

If at any time a hard copy is required, or a new material must be placed into the database, please do not hesitate to contact the Safety and Security Department at (585) 223-0770 or [safety@perinton.org](mailto:safety@perinton.org)
