of land, known as _____ are fully aware that
Subdivision & Lot Number or Street Address and Tax Account Number

[Finish Grading, Downspout Conductors] have not been completed as of this date due to unsuitable weather conditions.

The Town of Perinton has completed a preliminary grading inspection to verify that rough grade directs drainage away from the structure and adequate accessibility around the dwelling is present.

[Final Grading, Installation of Downspout Conductors] shall be completed in accordance with the approved plan (as attached) by the home builder by June 1st, 2020 or revocation of Certificate of Occupancy will be executed.
