

# EAGLE SCOUT PROJECTS

## Town of Perinton

### Recreation & Parks

## 2021

#### **NEW PROJECTS for 2021**

- **TOP RC RACEWAY**
  - Build a viewing deck with ramp for users and viewers to enjoy RC racing located at Park Operations.
- **LANDSCAPE COMMUNITY CENTER PROJECT**
  - Help plan and coordinate the removal of old shrubby behind the pool, and replace with fresh sod for special events and concerts.
- **WHITE BROOK FLOATING FOOTPATH**
  - Repair and replace several footboards along a 100' span of boardwalk. Located at White Brook Nature Center.

#### **COMMUNITY INFORMATION SIGNS AT FIELDS**

Build and install several (7) wooden kiosks for community and athletic team use. For fields at Kreag Road Park (1), Fellows Road Park (2) and Center Park West/East (2) ~~and Spring Lake Park (2) Taken 2021.~~

#### **WALKING TRAIL BOARDWALK RE-CONSTRUCTION**

Re-build approximately 100-feet of an at-grade boardwalk associated with a walking trail through/around the Deer Run Subdivision Ponds. The existing boardwalk is 4-feet wide constructed with pressure-treated decking on a 4x4 frame. The project will involve re-building the boardwalk with the same dimensions along the same alignment. This project may require and be accomplished by several scouts.

#### **POTTER PARK COMMUNITY GARDEN-Taken for 2021**

~~Turn mulch into lawn in 3-4 rows at the community garden raised beds. This involves the removal of mulch, adding top soil and grass seed. This project will need coordination with gardeners to gain access.~~

#### **PERINTON PARK DOCKS Taken 2021**

~~Power wash and stain all three docks at Perinton Park. There are three sections requiring stain.~~

#### **BEECHWOODS OPEN SPACE: Taken for 2021**

~~Two bridges are in need of reconstruction and possibly redesign. Project will involve designing and approval of design to fit stream bank erosion.~~
